While the Central Government is responsible for procurement, storage and transportation of foodgrains upto the nearest Principal Distribution Centre of FCI in each State/UT, the identification of BPL families, issue of ration cards and distribution of foodgrains to the beneficiaries through a vast network of more than 4.78 lakh Fair Price Shops (FPS) is the responsibility of the respective State Governments/UTs. In such a vast network the possibility of irregularities cannot be ruled out.

(b) Planning and despatch of the required number of rakes of foodgrains is made by the FCI every month for each consuming State/UT at an optimally feasible level, within the constraints of availability of rakes in order to adequately cater to the requirements of each State/UT under the TPDS and other welfare schemes. Whenever any shortage in the stock or supply of foodgrains is reported in any State, the FCI is advised to prioritize the induction of rakes to such State in addition to requesting the Railway Board to take appropriate remedial action.
